Dear Club Member:

Come on . . . let's go with the latest and hottest news for you club members. Requests poured in from all over the country asking us to print the lyrics for the theme song of the Archie television show. Wherever we go we hear the song being whistled and sung.

Jeff Barry who wrote the music and the lyrics has told me how thrilled he's been to get all your cards and letters and to show you what he looks like here's his picture. Girls, he's really handsome; and fellows, he's a real he-man. Besides being a wonderful song writer he's a great athlete. Jeff has promised to do some more songs for the Archies and when he does I will let you know. In the meantime, I want you to know that Jeff wrote both the music and the lyrics for most of the songs which are in the Archie album which you will find when you go to your music store or record shop. *

JEFF BARRY

Remember now, if your dealer is out of stock on the single or the album ask him to order the records or albums from his distributors. Again I want to tell you that the single which is *Bang Shang A Lang* and *Truck Driver* on the flip side and album is under the Calendar label and was manufactured and distributed by RCA. Jughead, Betty, Veronica, Reggie and I ask you to keep those cards and letters coming. Let us know what your music shop dealer tells you about the album and let us know how you like the music and we will print the best letters.

Your friend,

Archie Andrews

Everyone who sees these appealing waifs falls in love with their adorable warmth and touching wide eyes. You simply want to take them into your home and into your heart. That's because the artist, Gig, one of America's most perceptive painters of animals, has captured the universal appeal and charm of these intriguing felines. Under his sensitive brush, the wistful quality of kittens and the realistic backgrounds combine to give a compassionate glimpse of life. Pete Duncan is fictional. His story is a composite from the files of I.C.S.

Even if you had a bike with a gyroscopic stabilizer, solid propellant rocket boosters, 10-speed automatic transmission, AM-FM stereo radio, tape player, automatic headlight dimmer, turn signals, air horn, clock, racing tires and power disc brakes, you'd probably want a Stewart-Warner bike speedometer for Christmas.

We have the speedometers for far-out bikes. Funny bikes. Tandem bikes. Any bike you can name.

For instance, the Stewart-Warner Speedo Deluxe. It's the best-designed speedometer you could put on any racing bike. And the most accurate.

Or the fambus Cadet. No wonder it's the most popular bike speedometer made. Cadet does everything the speedometer in a sports car can do (except go over 50).

And the Cadet 20. Especially for bikes with 20-inch wheels.

No matter what kind of bike you have, it's a lot more fun to ride with a Stewart-Warner speedometer. So the next time somebody asks you what you want for Christmas, why not tell them they can find Stewart-Warner bike speedometers in most bike shops and department stores?
